Section A – About this insurance

Understanding your policy and its important terms and conditions

To properly understand this policy's significant features, benefits and risks, you need to carefully read:

- About the available types of cover and benefits in the relevant sections, including any endorsements (remember certain words have special meanings – see “Words with special meanings”);
- “What is not covered” section (this restricts the cover and benefits);
- “General conditions” and “Making a claim” sections (these set out certain obligations that you and we have. If you do not meet them we may be able to refuse to pay a claim); and
- “Other information” section containing important information on your Duty of Disclosure, our privacy policy and our dispute resolution process.

When you apply for the policy by completing our application we agree with you on things such as: the period of insurance; your premium; the vehicle the policy applies to; and whether any standard terms need to be varied (this may be by way of an endorsement). These details are recorded in the policy schedule we issue to you.

The base premium we charge you is based on your risk profile (e.g. the level of cover you choose and the type of vehicle). You will also have to pay any compulsory Government charges (e.g. Stamp Duty and GST where applicable) plus any additional charges we tell you of. We tell you the total amount payable when you apply and if you effect cover, these amounts are confirmed in your policy schedule.

This policy sets out the cover we are able to provide you with. You need to decide if the limits, type and level of cover are appropriate for your needs.

You should also read the GST Notice in the “General conditions” section to understand how GST is applied to a claim.

If you have any queries or want further information about the policy please use the contact details on the back cover.

Information about your rights under the Australian Consumer Law

You have rights under the Australian Consumer Law and other laws in relation to your motor vehicle which you are not required to pay for and which will continue to apply regardless of whether you choose to buy this policy. In some cases, these rights may overlap with the rights under this policy and be available beyond the expiry of this policy. This policy applies to the extent that this is not the case.

The amount you pay for this policy will not change to the extent that your rights under the Australian Consumer Law may overlap with your rights under this policy. You are not required to pay for any rights you have under the Australian Consumer Law.

Cooling off period and cancellation rights

Even after you have decided, you have a cooling off period and cancellation rights (see “General conditions” section for details).

Who is the insurer?

The insurer is Allianz Australia Insurance Limited
AFS Licence No. 234708, ABN 15 000 122 850 of 2 Market
Street Sydney NSW 2000.

In this document we refer to Allianz Australia Limited as “we”, “us”, “our” and “Allianz”.

Who is the insured?

Throughout this document the insured (the person named in the policy schedule) is referred to as “you” or “your”.

What is Allianz Assured Extended Warranty Insurance?

Purpose of Allianz Assured Extended Warranty Insurance

In summary, Allianz Assured Extended Warranty Insurance is designed to:

- Provide cover for the repair or replacement of parts of your vehicle, in accordance with the cover provided by a manufacturer’s vehicle warranty (to the extent that the manufacturer’s vehicle warranty is applicable to the conditions set out in this policy), for the period of insurance; and
- provide cover for the cost of towing, hire cars, travel and locksmith services in connection with the warranty work up to the limits stated in this policy document (see “What we will pay – 3. How much we will pay” for details).

Not everything is covered

Not everything is covered by Allianz Assured Extended Warranty Insurance. The above is only a summary and there are limitations. It is important that you carefully read your policy (in particular, Section B of this policy document) to understand the extent of cover and its limitations.

Eligibility

To be eligible to apply for Allianz Assured Extended Warranty Insurance you must have a vehicle that meets our stated underwriting criteria.

Section B – Your policy

What your policy consists of

Your policy consists of:

- This Allianz Assured Extended Warranty Insurance policy document which sets out the details of your cover and its limitations; and
- the Allianz Assured Extended Warranty Insurance policy schedule provided by us which sets out who is insured, the cover(s) selected, the period of insurance, the premium, the limits of liability and other important information. This is referred to as your policy schedule in this policy document.

You should carefully read and retain your policy document and your policy schedule.

These documents should be read together as they jointly form the contract of insurance between you and us. Any new or replacement policy schedule we may send you, detailing changes to your insurance or the period of insurance, will become your policy schedule, which you should carefully read and retain.

Our agreement with you

We will insure you in accordance with the cover detailed in your policy for the period of insurance shown in your policy schedule on the basis:

- That you have paid us the premium for the cover which your policy schedule indicates is in force; and
- of the information provided by you in this Allianz Assured Extended Warranty Insurance policy document, which drew your attention to Your Duty of Disclosure. If you failed to comply with Your Duty of Disclosure, we may be entitled to reduce our liability under the policy in respect of a claim or we may cancel your policy. If you have told us something which is fraudulent, we have the option

of cancelling your policy from the date of the agent's signature as stated on the interim policy schedule.

For your assistance we have provided a full explanation of Your Duty of Disclosure and the consequences of non-disclosure, under the heading "Your Duty of Disclosure" on page 24.

Period of insurance

Cover will commence the later of:

1. The date you purchase this Allianz Assured Extended Warranty Insurance; or
2. The date any part of the vehicle manufacturer's warranty expires.

Cover will cease the sooner of:

1. At 4pm on the date that the term in months has elapsed from the date the cover commenced; or
2. If you have chosen an "Up to 100,000" kilometre plan, when the odometer reading on your vehicle reaches 100,000 kilometres; or
3. If you have chosen an "Up to 200,000" kilometre plan, when the odometer reading on your vehicle reaches 200,000 kilometres.

Paying your premium by instalments

Allianz offers you the option to pay your premium by monthly instalments. The period of insurance of your policy can be paid over a 12 month instalment period, from the date you agreed to purchase the insurance.

Please note that if you choose the pay by the month premium option the total sum of all instalments is greater than the lump sum policy premium payable if the monthly instalment payment option is not taken.

Note that an instalment premium outstanding for 14 days or more may result in our refusal to pay a claim.

We may cancel your insurance if an instalment is one month or more overdue. If we cancel your insurance where an instalment is unpaid, your insurance cover will be cancelled by giving you at least three business days notice in writing of the date from which the policy will be cancelled.

If you pay your premium by instalments refer to the “General conditions” section for important details on your and our rights and obligations.

What we will pay

1. Repairing or replacing components of your vehicle

If, during the period of insurance, your vehicle requires repair or the replacement of component(s), being component(s) which would have normally been covered by the original manufacturer's new vehicle warranty if it had not expired (excluding components listed under "What is not covered"), we will, at our option, either:

- a. Repair; or
- b. replace, the component(s) requiring repair or replace the component(s) with componentry of a similar type and quality as the component(s) used in your vehicle; or
- c. pay the reasonable cost of such repair or replacement.

In doing the above under a, b, or c, we:

- May take into account the age of the component(s) to be repaired or replaced and the number of kilometres travelled by your vehicle; and
- will not pay any claim arising directly or indirectly out of or in any way connected with the exclusions listed under "What is not covered" from page 14; and
- may direct you to an Allianz preferred repairer.

2. Additional benefits

If your vehicle suffers a mechanical failure of a covered component during the period of insurance, we will pay for the following additional expenses you may necessarily and reasonably incur:

a. Vehicle rental reimbursement

If your vehicle is immobilised for more than two (2) consecutive days after repair authorisation of a valid claim, we will contribute a total of \$70 per day for a maximum of five (5) days towards the cost of hiring a rental vehicle.

The most we will pay for this benefit during the period of insurance is \$350.

Any hire car must be arranged through a genuine rental vehicle company operating under an Australian Business Number, and prior approval must be obtained from us. You will be responsible for all rental vehicle running costs, tolls, fines, excesses and costs associated with any damage occurring to the vehicle during your rental period, as well as any other costs you are liable for under the rental agreement you signed and agreed too.

b. Vehicle towing

If your vehicle is immobilised and cannot be driven as a result of a mechanical failure covered by this policy, we will pay the cost of towing your vehicle to an authorised service facility or the nearest place of safety. The most we will pay for vehicle towing is \$150 for any one claim.

c. Accommodation and travel expenses

If your vehicle is subject to an authorised repair, where the mechanical failure has occurred more than 150 kilometres from your usual place of residence and the repair cannot be completed on the same day of diagnosis and authorisation, we will pay for emergency accommodation up to \$100 per day up to a maximum of five (5) days for any one claim.

You will require authorisation from us to claim this benefit if we have not authorised the repair or replacement of parts of your vehicle.

d. Locksmith services

If your vehicle locks require repair or replacement or you have locked your keys in your vehicle, we will pay the cost of the services of a professional locksmith required to make the repair or replacement or assist you in gaining access to your vehicle.

The most we will pay for locksmith services is \$100 for any one (1) claim.

You will require authorisation from us to claim this benefit if we have not authorised the repair or replacement of parts of your vehicle.

e. Quality guarantee

All repairs to components authorised by us prior to the commencement of repairs will be covered by this policy for the remaining period of insurance.

f. Consumable items

Any items that require periodic replacement, as part of normal vehicle maintenance are not covered by this policy (refer to “What is not covered” from page 14). We will however, pay to replace such items if they are required in relation to an authorised repair.

3. How much we will pay

If we agree to your claim, under Section 1 “Repairing or replacing components of your vehicle”, the most we will pay in relation to any one claim is the market value of the vehicle at the time of claim, as determined by us.

The most we will pay for the total of all claims made during the period of insurance is limited to the purchase price of the vehicle as declared on the policy schedule.

What is not covered

running on LPG include, but are not limited to; airflow meters, fuel pumps, injectors, inlet and exhaust valves, valve guides and/or seats, exhaust systems and all inlet tract components.

18. Any mechanical failure caused by detonation and/or failure caused by poor quality fuel or the incorrect grade of fuel.
19. Any maintenance, adjustment, upgrade, modification and/or reprogramming required to any covered component.

2. Is being, or has been, used or tested in preparation for, or participation in, any form of motor sport.

9. Is being used for courier purposes.
10. Is un-roadworthy or unregistered.
11. Has had the manufacturer’s vehicle warranty cancelled or voided.

General conditions

1. Service and maintenance of your vehicle

For this policy to remain valid, you are required to:

- a. Properly, regularly and punctually service your vehicle in accordance with the manufacturer's recommendations and keep a record of the services undertaken on your vehicle, and
- b. take reasonable care to maintain and protect your vehicle.

All vehicle servicing should be carried out by the selling dealer or an authorised service facility.

Once a service has been completed you must make sure the authorised service facility completes and stamps the "Scheduled maintenance service records" contained in this booklet at the time of the service.

If you do not fully comply with these servicing requirements, we may refuse a claim and this policy may cease to operate.

2. Transfer of the policy

If during the period of insurance you privately sell your vehicle to a person other than a motor vehicle dealer, cover under your policy will continue with the new owner, provided that:

- a. you have paid the premium in full (if the monthly instalment option was selected, all remaining instalments or premium are required to be paid to transfer the policy); and
- b. you complete the transfer form contained in the back of this policy document; and
- c. you return it to us accompanied by:
 - A copy of the complete and compliant scheduled maintenance service records,

- a copy of the vehicle's Roadworthy certificate or inspection report, and
 - the warranty transfer fee of \$75 including GST (do not send cash), and
- d. the person named in the transfer form as the new owner observes all the terms and conditions of your policy.

3. Cancellation rights under the policy

- a. You may cancel your policy for any reason within 14 days from the day you purchased this policy. This is known as the cooling off period. You will need to notify us using the contact details provided on the back cover of this Policy document requesting us to cancel the policy. We will refund the premium paid unless an incident has occurred which may result in a claim.
- b. In addition to your cooling off rights, you may cancel the policy or any part of the policy at any time by notifying us using the contact details provided on the back cover of this Policy document.
- c. We have the right to cancel this policy where permitted by law. For example, we can cancel:
- If you have failed to comply with Your Duty of Disclosure, or
 - where you have made a misrepresentation to us during negotiations prior to the issue of this policy, or
 - where you have failed to comply with a provision of your policy, including the term relating to payment of premium, or
 - where you have made a fraudulent claim under your policy or under some other contract of insurance that provides cover during the same period of time that our policy covers you, or

- where we agree to accept payment of premium by periodic instalment and at least one instalment remains unpaid in excess of one month from the date on which it was due and payable.
- d. If you cancel the policy after the end of the cooling-off period or if we cancel the policy at any time we will, subject to paragraph e. of this clause 3, refund any premium paid, being an amount calculated to ensure that we retain a proportion of the premium for time on risk and we recover our reasonable administrative costs related to the acquisition and termination of the policy and any government taxes or duties we cannot recover from another source.
 - e. No refund will be provided if a claim has been paid under the policy.

4. Premium payment by direct debit

You may have chosen to pay the premium for this insurance by direct debit from a financial institution holding your account or your credit card account. If you choose this option, the financial institution may dishonour the direct debit payment due to lack of funds in your account. If this occurs, we may charge you for any direct and indirect costs which we incur arising from the payment being dishonoured.

5. GST notice

This policy has a GST provision in relation to premium and our payment to you for claims. It may have an impact on how you determine the amount of insurance you need. Please read it carefully. Seek professional advice if you have any queries about GST and your insurance.

6. Sums insured

All monetary limits in this policy may be increased for GST in some circumstances (see below).

7. Claim settlements – where we agree to pay

When we calculate the amount we will pay you, we will have regard to the items below:

Where you are liable to pay an amount for GST in respect of an acquisition relevant to your claim (such as services to repair a damaged item insured under the policy) we will pay for the GST amount if your sum insured/limit of liability is not sufficient to cover your loss. We will only pay the GST amount that relates to our settlement of your claim.

We will reduce the GST amount we pay for by the amount of any input tax credits to which you are, or would be, entitled.

Where we make a payment under this policy as compensation instead of payment for a relevant acquisition, we will reduce the amount of the payment by the amount of any input tax credit that you would have been entitled to had the payment been applied to a relevant acquisition.

8. Disclosure – input tax credit entitlement

If you register or are registered for GST, you are required to tell us your entitlement to an input tax credit on your premium. If you fail to disclose or understate your entitlement, you may be liable for GST on a claim we may pay. This policy does not cover you for this GST liability, or for any fine, penalty or charge for which you may be liable.

Making a claim

What you must do

We may not pay your claim if you do not act as follows:

1. Contact us as soon as possible.

You must tell us of your claim as soon as possible by contacting our Customer Service Centre on 1300 80 80 71.

2. Assist us with your claim

You must give us all the information and assistance with your claim which we may reasonably require. If we have the right to recover any amount payable under this policy from any other person, you must co-operate with us in any action we may take. We may appoint a loss adjuster to help settle your claim. Any displaced parts as a result of a claim settlement under this policy become the property of us.

3. Problem with your vehicle

If you have a problem with your vehicle you must:

- a. Take all reasonable precautions to prevent any further loss or damage;
- b. take your vehicle to the dealer who sold it to you or, if this is not possible, please contact us and we will direct you to an alternative Allianz preferred repairer;
- c. ensure that the dealer or authorised service facility contacts us to authorise the claim before any work is done on your vehicle.

However, the dealer or authorised service facility may repair or replace the parts without our authorisation:

- i. If the repair or replacement is required outside of our business hours; and

- ii. the dealer or authorised service facility or you contact us as soon as possible after we re-open.
- d. Advise us or ensure your dealer or authorised service facility advises us if your vehicle has been towed as covered under “2. Additional benefits – b. Vehicle towing” on page 12.

4. Diagnostic Costs

There will be some instances where repairs cannot be authorised until the vehicle has been dismantled. In these cases, the authorised repairer will need your authority to dismantle the vehicle for proper diagnosis prior to commencing any repairs. Provided that the mechanical failure is covered by this policy, repairs will be authorised.

In instances where the problem is not covered by this policy, you will be responsible for all costs associated with dismantling, repairing and reassembling your vehicle.

Other information

Your Duty of Disclosure

- Give us honest and complete answers;
- tell us everything you know; and
- tell us everything that a reasonable person in the circumstances could be expected to tell us.

What you do not need to tell us
